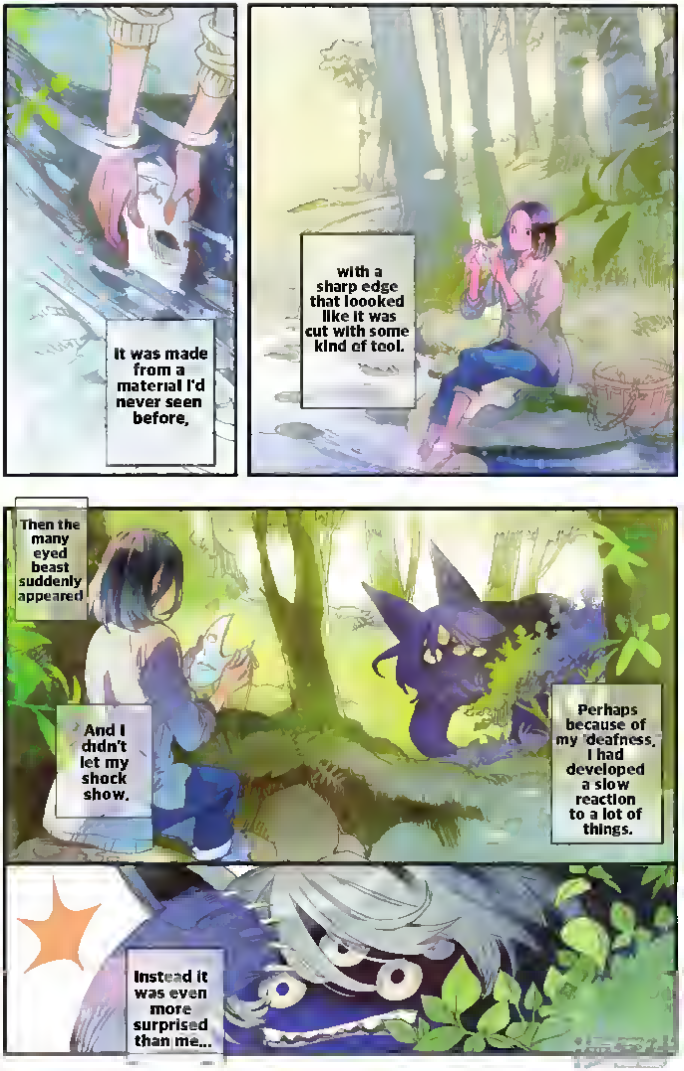
Bu luo xu was a beast with many eyes.
In ancient times gone by, there were many who witnessed the multi-eyed beast.
Age 15, a few days before I went abroad.
?!
I picked up a broken mask...



It was made from a material I'd never seen before,
with a sharp edge that loooked like it was cut with some kind of tool.
Then the many eyed beast suddenly appeared
And I didn't let my shock show.
Perhaps because of my deafness, I had developed a slow reaction to a lot of things.
Instead it was even more surprised than me...

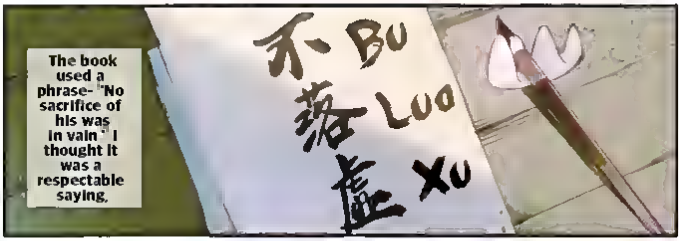
It seemed to be interested in the mask, so I gave it to the creature.

Time flew, and four years past ....
Hey hey! I heard that Wei Sheng Bai's 19 this year?
Do you think she has a boyfriend?
If you confess to her then you'll know! Haha!

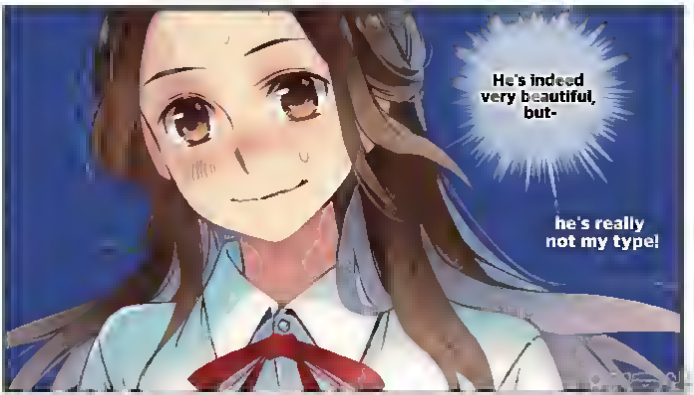
Woah look! He's sooo handsome!!
Wei Sheng Bai, do you see?
That's Bu Luo Xul
Ah, being surrounded by all those people looking after him, he's like a celebrity!
Like I said before, isn't he so beautiful that he'd make both humans and Gods envious?!

Bu Luo Xu...
That's what I named that creature...

Bu Luo Xu - no sacrifice is in vain



But surely the name is just a coincidence...



He's indeed very beautiful, but-
he's really not my type!

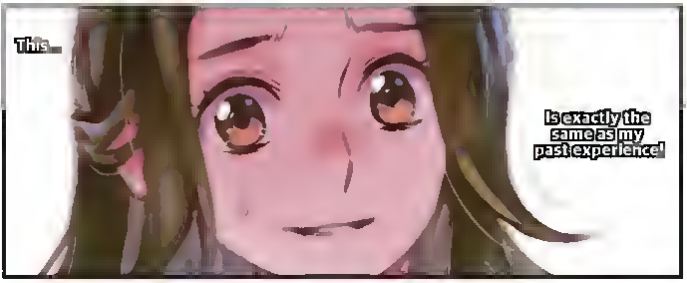
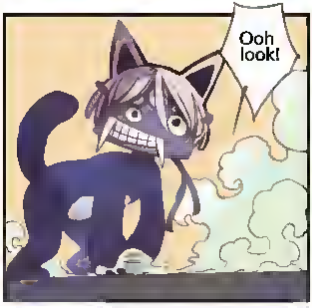
Is this play a legend about a many eyed beast?
Yeah, the script was written by my prince charming you know!
See, one day the many eyed beast met a little girl,
BOOM BANG THUMP CLANG-
and they became good friends!

The child gave the many eyed beast a mask.

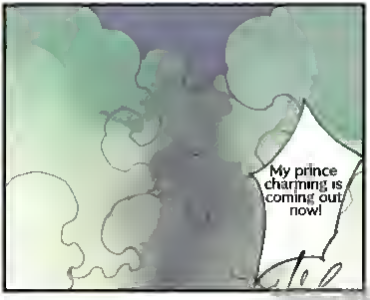
The child also gave the many eyed beast a name,
Bu Luo Xu



This...
Is exactly the same as my past experience!



Ooh look!



My prince charming is coming out now!

So he became a handsome man by wearing the mask?
Inter-esting...
The female audience seems to be eating him up.
Everytime the play finishes, the mask always sells out!
I'm still here,
waiting for you...
Even though you already left...
Ash!!
So pretty!
Y-Y-You! You're the many eyed beast from that time!

Hahaha that girl is crazy!
Sit down I can't see!
Bai, it's just a play, don't take it so seriously!
